OPEN LETTER TO THE FIFTH CONGRESS OF THE
MUNIST PARTY OF YUGOSLAVIA

Belgrade -- Members of the Communist party of Yugoslavia, listed below, who are students at military academies, higher officers' schools, and other schools of the Soviet Army and Navy, having studied the decision of the Information Bureau on the situation within the Communist Party of Yugoslavia and the reply of the Central Committee of the Communist Party of Yugoslavia to this decision, as well as information in the press regarding the conduct of the Central Committee's directors, approve the Information Bureau's resolution indicating to the Party the only proper way out of the impasse into which Tito, Kardelj, Djilas, Rankovic, etc., led it.

The hostile policies of the Central Committee of the Communist Party of Yugoslavia and the Yugoslav Government toward the Soviet Union, the All-Union Communist Party of Bolsheviks, all brother Communist parties, and countries of the new democracy are categorically protested. The anti-Soviet nationalistic policy of Tito, et. al., betrays Yugoslavia. These leaders, by their traitorous behavior and ignoble advances toward Anglo-American imperialists, break with the interests of proletarian internationalism and create hope among the enemies who wish the restoration of capitalist authority and land-owners in Yugoslavia.

Every honest Yugoslav who loves his country realizes that the progress and development of democratic Yugoslavia, its freedom and independence, are unthinkable without the aid of the Sovist Union, the VKP (b), and Stalin, whose help is also necessary to protect Yugoslavia from Anglo-American enslavement.

The only way for the Communist Party of Yugoslavia to return to the fold is by open censure of the anti-Party and anti-People policies of Tito and his cohorts and by maintaining allegiance to Marxist-Leninist teachings.

Appeal is made to the Congress and to all Communists of Yugoslavia to restrain their leaders who have gone to extremes, to demand from them honest acknowledgement and correction of mistakes, a complete break with nationalism,
